Harmony Elementary 9/27/2018

Comprehensive Progress Report

Mission: Harmony Elementary School will work as a team using STEM-Ag Education to meet and support the needs of all learners while developing curious and responsible students.

Vision: Harmony Elementary strives to exceed expected growth for all student by promoting Science, Technology, Engineering, Math and Agriculture (STEM-Ag) education through Problem Based Learning. In our classrooms, we create a nurturing environment where all students collaborate, problem solve, and innovate. We strive to produce problem solving students who aspire to be successful in their community.

Goals:

Target Goal - A4.01- 100% of teachers will utilize the tiered level of supports by June 2019 to ensure a minimum of 80% of students are proficient. Overall Goal- 100% of teachers will utilize the tiered level of supports to ensure a minimum of 85% of students are proficient by 2019.

Target Goal- E1.06- 100% of teachers will provide online resources for students/parents and send home monthly newsletters for the 2018-2019 school year. 100% of parents will be able to access updates and relevant information maintained on Harmony Elementary School's website and Facebook page. 100% of teachers will conference with 100% of families twice by June 2019. Overall Goal- E1.06- 100% of teachers will provide online resources for students/parents and send home monthly newsletters for the 2018-2019 school year. 100% of parents will be able to access updates and relevant information maintained on Harmony Elementary School's website and Facebook page. 100% of teachers will conference with 100% of families twice by June 2019.

Target Goal - A2.04 - 100% of teachers will facilitate STEM based activities on a weekly basis for the 2018 - 2019 school year. Overall Goal- A2.04 - 100% of students will be able to identify and apply the Engineering STEM Design Process by June 2019.
