Iredell-Statesville Schools Technology Usage Fee Form

To help sustain the technology investment from grant and district funds, Iredell-Statesville Schools is implementing a technology usage fee. Similar to several North Carolina school districts, Iredell-Statesville Schools has implemented a technology usage fee at our Collaborative College for Technology & Leadership School (CCTL) for the past several years.

The technology usage fee of $50 will apply for this school year. Anyone seeking a fee reduction should contact the school principal for qualification information.

For more information, visit our district IMPACT website and see the *IMPACT Technology Fee and Device FAQ's for Parents & Students* under IMPACT Parent Resources: http://www.iss.k12.nc.us/Page/50196

	All students/parents must have this completed form on file prior to technology devices being issued.
